No Sew Fleece Blanket

You will need:
Fleece: 1½ yard piece or choose your own custom size. (Fleece is usually 50-60" wide)
“Ruler or Shape Cut Ruler and Rotary Cutter”: Works best to create neatly cut fringe. If you are using scissors, make sure your cuts are clean, even, and straight with no frayed edges.

This blanket is simply made in 5 easy steps.

Step #1: (Fig. 1)
VERY IMPORTANT! Before you begin, trim off selvage edges and square uneven edges as needed.

Step #2: (Fig. 2)
Cut a 4” square from each corner of the fleece.

Step #3: (Fig. 3)
Cut 4” x 1” wide fringe around blanket

Step #4:
Using a seam ripper, make a tiny slit at top of each fringe piece.

Step #5:
Feed the end of the fringe through the back side of the slit you just cut and pull through to create a neat and secure fringed edge.
